Maths C

Science C

Additional Science C

English Language D

English Literature D

Skills and Personal Qualities:

- Prioritisation skills: I prioritise my workload in order to complete tasks within the required

deadlines and able to identify those that should be given priority.

- Team work: I recognise the importance of working well in a team in order to complete those tasks in which may require more than one person, or to simply ensure deadlines are met.
- Learning new skills: I learn best using a 'hands-on' approach allowing me to expand upon the knowledge and skills making me more versatile and multi-skilled.
- Using initiative: I use my own initiative when problem solving and ensuring the standard of facilities available are of an exceptional level.

Further Experience/information/skills obtained

- Work experience with Sterling security, assisting with such tasks as replacing doors/frames and also providing and fitting locks that are regulated within British standards.
